

# **Teamwork**

**As we talked about at our rallies this month, TOPS chapters function very much like a team. Here are some of the quotes we discussed:**

**None of us is as smart as ALL of us.**

**We're a TEAM. One person struggles, we all struggle. One person triumphs, we all triumph.**

**The nice thing about teamwork is that you always have others on your side.**

**There is no such thing as a self-made man. You will reach your goals only with the help of others.**

**The strength of the team is each individual member...the strength of each member is the team.**

**Together, ordinary people can achieve extraordinary results.**

**The path to greatness is along with others.**

**Cooperation is the thorough conviction that nobody can get there unless everybody gets there.**

**If everyone is moving forward together, then success takes care of itself.**

**Coming together is a beginning, staying together is progress, working together is success.**

**My hope is that you take these statements to heart and realize just how important you are to your chapters' and chapter members' success.**
