March 2016

Dear TOPS Chapters,

Hopefully many of you have added to your annual chapter budget a donation for the purpose of financial assistance to aid Area Captains who attend IRD.

Area Captains that plan on attending IRD in Little Rock Arkansas, in July are Maria Goss, Tom Neitzel, Gary Wellington, and Cindy Silvester. They will benefit greatly from the experience. This, in turn, will enhance the many services they perform for the chapters within our area.

I am sure your Chapter will wish to show your appreciation for their dedication by making a love contribution.

Please make your chapter check payable to me and mail by June 1, 2017.

I thank you for your participation in this endeavor.

Sincerely,

Carlene
