CHAPTER ANGEL AWARD

Deadline same as the Rally

Does your chapter have a special member who is always increasing the enthusiasm of your members? How about a member who always inspires others to join them as they **"Cheer for TOPS"**? Please share this information with us, so that member can be recognized at rally. We are asking each chapter to submit only one special member. We will not be recognizing entire chapters or memorials. Please make your selection and tell us why this person was chosen. They must be present at the rally for us to share your story about them. Please print legibly so we make sure to share the story correctly.

In the box above choose which rally your Angel will receive recognition. If you do not have the necessary address to mail the form, contact your Coordinator.
